NANDi EDUCATION | VFS GLOBAL ACADEMY

Committed to the holistic development of travel, tourism and hospitality professionals with strong employability prospects.

ABOUT THE ACADEMY

The travel, tourism and hospitality industry is being redefined and is in need of innovative ways of thinking, operating and servicing the evolving needs of the contemporary world traveller.

VFS Global Academy is committed to the holistic development of talent to create industry professionals with strong employability prospects.

Using a blend of deep discipline knowledge and soft skills, the Academy offers immersive learning through optional internship opportunities. It aims to provide vocational education to develop professional talent and to nurture future business leaders for the services industries including travel & tourism and hospitality.

Partnering with IHCL (Indian Hotels Company Ltd.), a leading hospitality company, has brought in industry expertise and insights into the curriculum, ensuring that the training programmes are aligned with current industry standards and practices.

IHCL's extensive network of hotels and resorts can provide internship and placement opportunities for VFS Global Academy students, enhancing their practical experience and employability.

VFS Global Academy of Travel and Hospitality aims to provide vocational education to develop professional talent and to nurture future business leaders for the travel, tourism and hospitality industries.

CORPORATE ASSOCIATIONS

Alongside universities, VFS Global Academy works closely with corporate partners to design and deliver specialised training solutions. These associations help organisations address evolving skill needs while ensuring students are ready to enter the job market. Customised programmes—ranging from customer service and hospitality training to logistics and retail—equip learners with the competencies employers value most.

For corporates, the Academy runs bespoke, role-based programmes for corporates —aligned to SOPs, brand standards, and KPIs. Outcomes include faster onboarding, higher productivity, improved customer experience, and measurable gains in NPS and compliance. Models include hire-train-deploy, upskilling of existing staff, and leadership programmes. Delivery can be on-site, at the academies, or blended. VFS Global Academy's corporate partners include some of the world's most respected organisations such as IHCL, Reserve Bank of India, Encalm Hospitality, Sodexo, Tata Motors, among others.
